

### Study Updates and reminders:

- Please check the kit levels at your site and inform the SepTiC trial team by 18th December if a re-supply is required
- The college and lab will be closed for the holiday period - please see the second page of the newsletter for the specific dates

### Site Updates:

- Kings College London has opened to SepTiC and has recruited their first patient within a week!
- Derriford Hospital for recruited their first SepTiC patient in November - well done team!

**Thank you to everyone for your consistent hard work over the past year!**

### Star Sites

Big well done to the following sites for recruiting 4 patients each to SepTiC this month!

- Russell's Hall Hospital
- St George's Hospital
- Sunderland Royal Hospital

## IMPORTANT DATES

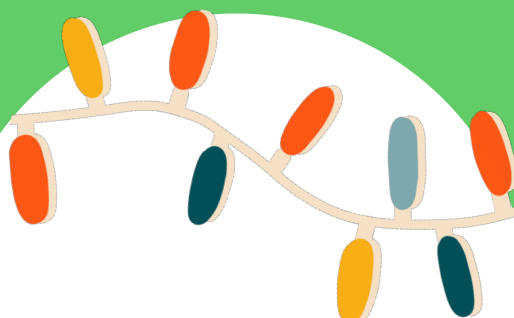

### OpenClinica downtime

Openclinica will be performing a system upgrade on the morning of **Saturday 7th of December**

The system will be unavailable from **4am until approximately 9am**

---

### Data entry

Remember to complete all data within 2 weeks of the visit date - all daily data forms must be completed even if the patient has been discharged to the ward.

Use the follow up calculator to check when day 95 follow up visits are due

### College & Lab Closure Days

Imperial College and the central lab will be closed from the 21st of December to the 1st of January

The last day to randomise and send samples will be the **18th of December** and recruitment can re-start on the **2nd of January**

---
