

Study Updates and reminders:

- Remember to complete all data within 2 weeks of the visit date - please ensure all queries are updated before the end of January as we will be conducting a data extract.
- Please remember to include the sample shipping form in all sample shipment boxes, this ensures there are no delays in getting the sequencing results back to you.
- Use the Telephone agreement form where necessary to reach the NOK to gain PerLR consent.
- Follow us on our LinkedIn page for more regular updates on the study: [LinkedIn- SepTiC Trial](#)

Thank you to everyone for your hard work over the past year, we now have over 500 patients recruited to the trial!
